

TITLE OF PRACTICE: Promotion and Development of Research Atmosphere

Goal: To generate atmosphere for Research and Development

Context:

The main objective of these best practices is to generate a research environment inside the college campus. A research committee is there to monitor & encourage the faculties to apply research project in different funding agencies and also motivate them to get involve with research related activities.

The practice:

In spite of difficult obstruction and busy schedule, there is a competitive research environment among the teachers of Amguri College. Teachers are regularly participated in seminars, workshop and training program. A good number of teachers are also keen to publish their research work in various national/international journals as well as books in various reputed publishers. Moreover, teachers are engaged in minor and major research project funded by various external agencies.

Success Evidence:

- Amguri College has organised different seminar and workshop for the research upliftment of the teacher fraternity.
- Two teachers have completed their minor research project and successfully submitted their project dissertation to UGC.
 1. A study on child labour and their socio-economic status of the tea gardener of Assam- A study of Demow Sub-division by Mrs. Niharika Duarah, Associate Professor, Department of Education.
 2. Health and hygiene condition of women in rural area: a sociological study with special reference to sivasagar district of Assam By Mr. Anil Hazarika, Assistant Professor, Department of Sociology
 3. A study on the Agarwood Plantation Industry : Problems and Prospects by Mr. Biman Sensua Baruah, Associate Professor, Deptt of economics
 4. Effectiveness of the MGNREGA in controlling rural poverty and unemployment in Assam.: A Study in Amguri Development Block by Dr. Dipamoni Borthakur, Associate Professor, Deptt of economics
- Three teacher has enrolled for PhD under Gauhati University and Dibrugarh University
- Authority and IQAC of the college also motivated the teachers to send proposal on burning social issues to various funding Agencies. And some department has already

sent the seminar proposal to NAAC, UGC and ICSSR.

- The college has made sufficient facilities for the teachers so that they can surf the internet and get the require knowledge from different journals.
- Many teacher of this college publish their article/ paper in reputed national and international journals. Some teachers also publish their research based Books from international publisher.
