

TWO BEST PRACTICES OF THE INSTITUTION FOR THE YEAR 2017-18

TITLE OF PRACTICE: WEEKLY TEST EXAMINATION

Goal: TO ACCESS THE LEARNING ACHIEVEMENT OF THE STUDENTS

Context:

The main objective of these best practices is to access the learning achievement of the students and do the needful for their overall development of the students.

The practice:

The Academic Committee of Amguri College in collaboration with the IQAC conducts weekly test examination to evaluate the learning achievement of the students in different subjects. This practice also enables the faculty members to access the students learning in their subjects as well as their teaching quality. And based upon the results of the students they can arrange proper counselling and guidance for the needy students.

Success Evidence:

- Students learning achievement is enhancing day by day. About 20 per cent students get 60% and above marks in those examinations.
- Students are become regular in their classes.
